A CHRISTMAS MESSAGE...

Did you know that we are a second generation business and have been operating for over 40 years? Or that we have a rich history in winning competitions?

This year we decided to enter our pork pies and our dry cured, free range streaky bacon. We are delighted to tell you that both won GOLD AWARDS (no surprises there!). We now have the bug back for competitions so watch this space!

We continue to work with esteemed companies like Fortnum & Mason, Pipers Farm, British Fine Foods, Field & Flower and now Harrods, whom the Country Victualler first began supplying in 1973 and have had a busy year developing a range of products with them.

We have also continued with the eco wool package liners to show our commitment to environmental sustainability.

For 2024, we are focusing on our best products, especially the classics you love for Christmas, ensuring quality at great value.

We hope you savour every bite.

Wishing you a wonderful Christmas and a promising New Year.

All our products are sent to you fresh and securely packed by next working day delivery, except those parcels going to more remote destinations which may take a little longer. If in any doubt please speak to the customer services team on 01777 874700. Please note, next day delivery to remote addresses on the UK mainland and UK Islands may not be possible. If next-day delivery is vital, please order before 11 am and phone us to check. As we only sell food items, there is no return facility, if you have any issues with your order, please contact us on 01777 874700 where we can resolve your issue or issue a refund.

SHELF LIFE

All our products are suitable for freezing – even the pork pies – We recommend that where possible customers place orders to be delivered well in advance of Christmas to reduce the strain and also guarantee delivery in ample time so you have the reassurance.

Freeze on day of purchase and when defrosting the key is to defrost slowly a day or so before you wish to use the item, this way you will still have a great, fresh tasting product with some shelf life left. Items suitable for freezing are clearly marked with the freezer icon.

PAYMENT

All prices quoted are correct at the time of publication but these may be subject to change due to external factors outside of our control, however we will honour the product price at the point of purchase. We would therefore kindly advise you to place your order early.

GIFTS

We are happy to add a personal message to your parcel if sending it as a gift. Simply send us your wording and we will do the rest.
